CLERK #: 1720MM002958A

DIVISION: 4

AGENCY #: PPD20OFF004757

CHARGE: Criminal Mischief and
Disorderly Conduct

REASON: 102

NO PROSECUTION

The Office of the State Attorney in and for the First Judicial Circuit of Florida announces a **NO PROSECUTION** in the above captioned case for the reason(s):

The victim in this case has not cooperated in the prosecution of the case. The victim failed to appear for an office interview on August 4, 2020, after being personally served with a subpoena and speaking with the process server for the State Attorney's Office.

After failing to appear for the scheduled office interview, a letter was personally delivered to the victim on August 4, 2020 requesting that he contact the State Attorney's Office immediately and a voicemail was left on the victim's phone requesting contact with the State Attorney's Office.

The victim failed to contact the State Attorney's Office by the deadline of August 12, 2020. During this time period of attempting to contact the victim, the victim spoke with two investigators that further instructed the victim to get in contact with the State Attorney's Office. Several attempts were also made by the State Attorney's Office to contact the victim by phone with negative results.

Based on the facts and circumstances of this case, there is insufficient evidence to prove the charges beyond and to the exclusion of a reasonable doubt.
